

ABOUT OUR COMPANY

ECO SHIMS, founded in 2008, is a family-owned American manufacturer that takes pride in producing eco-friendly products. Our company is widely regarded in the industry for our high-quality offerings, competitive pricing, and specialized knowledge. We are dedicated to consistently delivering top-tier products that not only meet but exceed our customers' expectations.

Our success is attributed to our unwavering dedication to providing exceptional quality and service, which ultimately helps our customers save money and fosters continued growth in our partnerships.

WHY CHOOSE ECO-SHIMS

PRECISE

ECO SHIMS are manufactured using precision injection-mold technology, engineered with perforations for optimal performance.

RESISTANT

ECO SHIMS are built to withstand various weather conditions and pests, making them suitable for year-round projects. They are favored by both contractors and DIY enthusiasts.

STURDY

With 4x stronger load support, 5x quicker snap off, and improved nailing capability, ECO SHIMS can expedite the completion of projects, both big and small, in your home.

RECYCLED

Approximately six million tons of wood end up in landfills annually. ECO SHIMS are crafted from 100% reclaimed plastic, wood, and natural fibers. By selecting ECO SHIMS, you are not only benefiting the environment, but also your finances.
